Re: Proposed Budget

Mayor Skains, City Council, and Citizens of the City of Gun Barrel City,

It is my pleasure to present the Recommended 2019-2020 Budget, my first as Acting City Manager. Many hours of collaborative discussion by leadership of the governing body and diligence of staff, has resulted in the development of a prudent and responsible financial plan for Gun Barrel City.

The 2019-2020 budget includes a 6.15 percent increase in the sales tax revenue. This sales tax revenue will continue to position the City to meet the public needs of our great city. The total budget for all funds is \$3,906,338 which is an increase of 8.65 percent, compared to 2018-2019 expenditures of \$3,595,22. The increase in revenue can be partially attributed to increased tourism as a result of Cedar Creek Lake Reservoir being at or near capacity, providing multiple recreational opportunities.

In the 2019-2020 budget, there are several specific purchases or programs intended to provided enhanced services to the citizens of Gun Barrel City. First, an agreement with a consulting firm to provide the City with a Comprehensive Plan to be completed by the end of the 2019-2020 fiscal year. All City employees, not already receiving compensation at the Top Step of their pay classification, will be receiving a two percent raise in salary. Needs in the public safety sector provides for the purchase of two patrol vehicles for the police department and the funding to add a part time personnel position to continue to promote public trust within the schools and community. The fire department will receive increased compensation for the volunteer firefighter staff and to improve the Early Emergency Warning system. Funding will be provided to purchase a dump truck for the street department, and an employee reclassification for parks will provide an upgrade from two-part time positions to one full time and one-part time position. Efforts will continue to upgrade and increase Information Technologies for all Departments, to include purchase of software intended to maximize productivity and increase efficiency.

Gun Barrel City is required to have a proposed budget on or before August 1 per our City Charter, Section 7.02. Due to changes in City management, and continuing budget discussions by members of the City Council and staff, delivery of the budget was slightly delayed.

Sincerely,

Jeff Arnswald
City of Gun Barrel City
Acting City Manager
